

## Facility Fee Changes

**At the Town Council meeting of 18 March 2019 the following changes recommended by the Calmar Regional Recreation Board were approved by Council:**

1. Effective the 2019 – 2020 ice season, Mike Karbonik Arena ice users will be invoiced for floods. So if there is a block booking for a tournament, the invoice would include the entire time in the block, not just game times, and then 15 minutes for the flood after the tournament. Using this example, if a tournament runs from 9am to 9pm on a Saturday, the tournament would be billed for 12.25 hours.
2. Effective 01 September of this year, the rental rates of the Program Centre will be increased to \$30 for bookings of less than 4 hours and \$60 dollars for bookings of more than 4 hours FOR CALMAR and LEDUC COUNTY RESIDENTS. For residents of other areas such as the City of Leduc the rental rate will be \$50 for bookings of less than 4 hours and \$100 for bookings of more than 4 hours.
3. Effective this year, any non-Calmar or Leduc County residents will be charged double of whatever the annually set fee for the Get-A-Way is for Calmar and Leduc County residents is. This will exclude children from out-of-town who will be visiting friends/family residing in Calmar of Leduc County.

In 2018 the rate for everyone was \$15/week and \$20 per field trip or the whole 6 week program for just \$180.
