

## Town of Calmar Recreation Master Plan

DRAFT: AUGUST 27, 2020

expedition  
MANAGEMENT CONSULTING

As some of you may know, work has been progressing on a Recreation Master Plan for the Town of Calmar. Earlier in the year there was a public consultation to help collect data to build the Master Plan and some very good information was provided by you, the public. As we approach the Fall season, Expedition Management Consulting has finished a preliminary draft of the document and is once more seeking public input for this document.

It is anticipated that the document will be ready towards the end of this month (watch for updates on Facebook and the Town web site). Let us know how you think the Recreation Master Plan turned out. Does it meet your need and expectations? Was there anything that could have been improved upon? What was done well?

We look forward to and value your opinion(s).
