

In the spring of 2020, the Town of Calmar, in partnership with Leduc County, began a process to develop a Recreation Master Plan for the community. The primary goal of the plan is to identify the recreation, parks, and culture needs of the community and determine a long-term direction. Over the past six months, we have worked closely with residents and stakeholders to develop the Draft Plan. We would now like to present the plan to the community and collect your feedback on the proposed direction.

We hope that you will join us to discuss the Draft Plan at one of our Stakeholder and Public Engagement Video Conferences. The sessions will begin with a brief presentation by Expedition Management Consulting describing the Draft Plan, followed by a group discussion to collect your feedback. Participants can join the remote meetings on any device through the Internet or by calling in using a phone. The times for each meeting are provided below. Note that the same material will be covered at each meeting.

Video Conference #1: October 13th from 5:30 – 7:00pm

Video Conference #2: October 15th from 5:30 – 7:00pm

Please review the Draft Plan prior to attending a meeting:

[Draft Calmar Recreation Master Plan \(September 18, 2020\).pdf](#)

Please register for a video conference session at the following link by 5:30 pm one day prior to the session:

Thank you for your consideration and we look forward to gathering your input through this process. Questions or comments can be directed to Byron King.

Respectfully,

Byron King, Community Services Coordinator, Town of Calmar
