

ARENA CLOSURE

- To All Ice Users:

- Due to continuing Covid-19 guidelines restricting arena use, the Town of Calmar has made the decision to shut down the Mike Karbonik Arena for the remainder of the 2020 – 2021 ice season to allow for building repairs on the inside North wall to be made.

- For those users who have pre-paid for their ice, refund cheques will be issued.

- For those who booked ice January – March, 2021, we apologize for the inconvenience but hope you appreciate the shut down is being made so that improvements to the building can be done.

Due to Covid-19 restrictions the Town does not have sufficient manpower to operate the outdoor skating rink.
